MEMORANDUM FOR: Commanding Officer
Army Map Service
6101 MacArthur Blvd.

Subject: Request for Loan of Draftsman.

1. Several weeks ago the Army Map Service was kind enough to lend us a draftsman to help out in an emergency. His services were most satisfactory and aided greatly in clearing up our backlog. This Board is very grateful for such assistance.

2. At present, this Board again requires the services of a draftsman to clean up a large accumulation of material destined for reproduction at Army Map Service. It would be very much appreciated if you could lend us someone in accordance with the conversation between Mr. Robertson of this office and Mr. Al Gioiosa of the AMS. It is estimated that such services will be required for sixty days. Any assistance you can give us will be greatly appreciated.
